# INTRODUCTION

All Praises and Thanks due to Allah ﷻ, the Lord of the Al-Alamin (mankind, jinn and all that exists), for His open and concealed bounties, graces and favours which He confers at all times. He solely owns all things, is the Most Dignified, and the Most Protective, and infinite Durood and Salaam be upon our Noble Master, the last of all the Prophets, who is our Patron, our Beloved One and our Intercessor with Allah ﷻ on the Day of Resurrection, Sayyiduna Rasoolullah ﷺ, His Blessed and Honourable Family ﷺ, the Righteous Companions ﷺ, and all the Awliya-ul-Allah ﷺ.

Al-hamdullilah with the grace of Almighty Allah ﷻ this book has been prepared as a guide to complement the madrasah syllabus.

We have attempted to ensure that the content matter, which is in this book, is simple and adequately equipped with the fundamental basics of the religion.

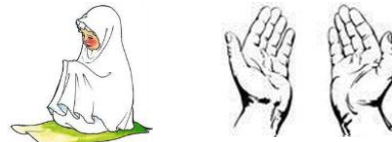

It is hoped, that Insha Allah after the studying this book, the child should be acquainted with the basic Aqaaid (beliefs) as well as the Mas'aail (issues) regarding the day to day life.

Any constructive suggestions and critique are most welcomed and should be passed onto the author for future publications.

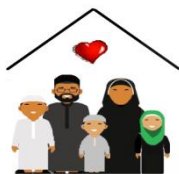

## WHY DO WE NEED TO MAKE DU'AA?

Our Blessed Prophet ﷺ has said, "The action most liked by Allah ﷻ is du'aa"

When we make du'aa we are thanking Allah ﷻ for everything he has given us.

He has given us a loving family, and friends.

He provides us with good food and clothes.

He provides us with a good home and lots of toys.

When we make du'aa we should ask for what is good for us, our families and the whole of mankind.

In our du'aa we should remember all the people alive and dead, especially the Muslims who are suffering around the world.

We should ask Allah ﷻ to Protect Us from Shaytaan.

We should ask Allah ﷻ to give us good health so that we can pray to him

We should ask Allah ﷻ to guide us on the Straight Path

The Path of the Prophets, the Sahaba and the Friends of Allah ﷻ

Ta'awwuth is to seek Allah's protection from Shaytaan the accursed one.

أَعُوذُ بِاللَّهِ مِنَ الشَّيْطَانِ الرَّجِيمِ

A'OOZUBIL-LAAHI MINASH-SHAYTAANIR-RAJEEM

*I seek protection in Allah from Shaytaan, the rejected (bad) one*

Sayyid Abdul Qadir Jilaani رحمته الله mentions in Ghuniyatut Taalibeen, the following benefits of reciting Ta'awwuth:

The Mu'min gains firmness on the Deen

He is saved from the evils of Shaytaan

He gains the proximity and aid of Allah Ta'ala

On the occasion when Shaytaan was expelled from Jannat, he vowed that he would ensnare and mislead Allah's servants from the front, the rear, the right and the left.

Allah Ta'ala took an oath by His Might and Power that He would instruct His servants to recite Ta'awwuth. When they recite it, Allah's hidaayat (guidance) will encircle them and protect them from the onslaught of Shaytaan.

According to the Hadith, when a person seeks refuge with Allah Ta'ala, reciting Ta'awwuth with sincerity, Allah Ta'ala grants him safety for the entire day. Rasulullah ﷺ said: "Close the door of sins with Isti'aathah (i.e. reciting Ta-'awwuth), and with Bismillaah open the door of worship."

## WHAT DO WE SAY WHEN WE START SOMETHING GOOD?

What should we say before we eat or drink?

What should we say before we wear our clothes and shoes?

What should we say before we start to learn?

The Prophet ﷺ has said, 'To do something without praying **Bismillah** is left incomplete' so before we do anything we should always say **Bismillah**.

REMEMBER YOU CANNOT SAY BISMILLAH BEFORE DOING ANYTHING WRONG AS THIS IS HARAM

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

BISMIL-LAAHIR-RAHMAANIR-RAHEEM

*Allah, in His name I begin the Most Kind and the Most Merciful*

One who recites 'Bismillah' 21 times before falling asleep, Allah ﷻ tells the angels to write down a good deed for every breath they take.

One who recites 'Bismillah' 786 times and then blows on water and drinks it, their memory will improve.

Recite 'Bismillah' when closing the door of your house, as Shaytaan and his Friends will not be able to enter.

## THE ISLAMIC GREETING

Do you know what to say when we meet one another?

Do we say Hi, Hello or should we say **AS-SALAAM**?

The Prophet ﷺ said "The person nearest to Allah is the one who is the first to offer salaam"

When we see anyone whether they are a Muslim or not we should always be polite and smile at them.

As a Muslim, when we see a Muslim brother or sister we should always be the first to say **AS-SALAAM**.

اَلْسَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللهِ وَبَرَكَاتُهُ

**AS-SALAAM ALAYKUM WA-RAHMATUL LAHI WA-BARAKATOHU**

*MAY THE PEACE, MERCY AND BLESSINGS OF ALLAH BE WITH YOU*

In reply to **AS-SALAAM** we should say

وَعَلَيْكُمُ السَّلَامُ وَرَحْمَةُ اللهِ وَبَرَكَاتُهُ

**WA-ALAYKUMUS-SALAAM WA-RAHMATUL LAHI WA-BARAKATOHU**

*MAY THE PEACE, MERCY AND BLESSINGS OF ALLAH BE WITH YOU TOO*

## WHAT DO WE SAY WHEN WE ARE THANKING ALLAH ﷻ?

Why should we thank Allah ﷻ?

We should thank Allah ﷻ because of all the lovely things He has given us.

Eyes to see with

Legs so that we can walk and play

Ears to hear with

Hands so we can do things

One of the best things Allah ﷻ has given us is the Brain. It helps us to understand things and know what is good and what is bad.

Let us try to use our brains and do only good things which Allah ﷻ likes, because He has given us so much.

Allah ﷻ has given us our mummy and daddy, who love us and take care of us.

The only thing that Allah ﷻ asks in return is your thankfulness to Him.

Make it a habit to say "Alhamdulillah" at every good news or at every good turn in your life.

If someone asks how you are, say "Alhamdulillah"

In seeking to thank Allah ﷻ, not only do you please Him, but you are sure to receive success in return - in abundance.

Do not forget, Allah ﷻ loves those who thank Him ﷻ.

Be grateful throughout your day.

When you wake up in the morning, when you eat or drink and more so when you listen to the Holy Quran or Naats and Nasheed, always say 'Alhamdulillah and 'Subhanallah'.

As the Quran says, 'And remember when your Lord proclaimed, "If you are grateful, I will surely increase you in favour. But if you deny indeed, my punishment is severe"

**AL-HAMDU LILLAH**

*All praise is for Allah*

الْحَمْدُ لِلَّهِ

## WUDHU (Ablution)

Wudhu is a special way of washing certain parts of the body as shown to us by Our Master Mohammed ﷺ.

Our Beloved Prophet ﷺ said "The key to Jannah is Salaah, and the key to Salaah is Purity."

Wudhu cleans and washes away our sins.

We should try our best to remain in the state of wudhu at all times.

Do not waste water when making wudhu!!!

There are four Faraidh (compulsory acts) in Wudhu

1. To wash whole face from the top of the head to below the chin and from one earlobe to the other
2. To wash both arms up to the elbow (First the right and then the left)
3. To pass wet hands over one quarter of the head (Masah)
4. To wash both feet up to the ankles (First the right and then the left)

Always remember to begin wudhu by praying the Ta'smiyah

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Allah ﷻ, in His name I begin, the Most Kind, the Most Merciful.

# AQAAID (Our Beliefs)

**Who is Allah ﷻ (the Exalted)? What is He like? What does He do? What does He love?**

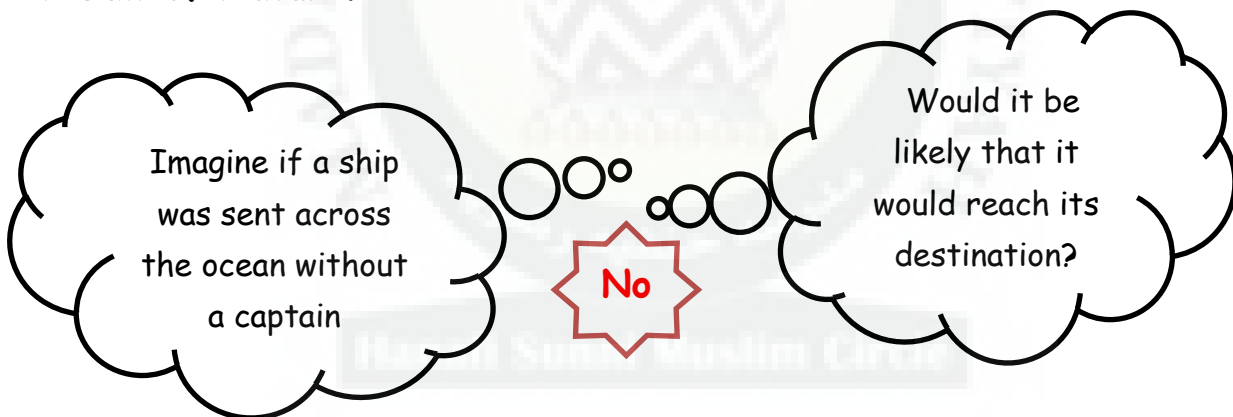

**Allah ﷻ** is the Lord, of all that things that exists which we can see and that which is hidden.

Nothing that happens is by accident; it is all part of **Allah's ﷻ** plan.

**Allah ﷻ** is greater than anything that our limited human minds can come up with.

**He** is above everything and **He** is our **Magnificent Creator**.

Think of the amazing things in this universe, from the largest galaxies to the tiniest of things, all follow a perfect order, this is known as the **Law of Nature**.

So how can our earth orbit the sun, or the planets follow a set of motions, without a captain!

**Allah ﷻ** is **The One**, who is in charge of the creation, the **One** who is controlling, and watching over all things.

## ALMIGHTY ALLAH ﷻ

Allah ﷻ is our Lord, He is One.

He has no partners, no son or daughter.

Allah ﷻ created everyone including me and you

He created our friends and our family too.

ALMIGHTY ALLAH ﷻ is **AL-KHALIQ ﷻ (THE CREATOR)**

Who made the earth, the sun and the sky?

Who made the mountains, the hill and the trees?

Allah ﷻ made all these things from the NUR of our Special Prophet Sayyiduna Mohammed ﷺ.

Do you know who created us and our parents?

**ALLAH ﷻ CREATED US ALL!**

He created the Heaven and filled it with good and enjoyable things.  
He created it for the good boys and girls.

He created the Hell and filled it with fire and punishment.  
He created Hell for the bad and evil people.

Allah ﷻ is alone the True and Best of Helpers.

How does Allah ﷻ help us and what should we do?

He helps us by making us strong.

Safe at home  
Safe at school  
Safe at madrasah

He helps us by keeping us safe and well.

He helps us by giving us delicious food so that we can pray to Him.

He helps us by giving us nice clean clothes so we should thank Him.

He helps us by giving us our loving parents, family and friends.

We should ask for Allah's ﷻ help by being truthful, by being good to everybody, by helping others and through prayer.

Ask for His help every day, so that we become better people.

Ask for His help when we are at school or at the madrasah so that we can learn new things.

If Allah ﷻ wants to help us, then nobody can hurt us.

Allah ﷻ, also provides us help through other people.

# AN-NASEER

The Helper

النَّصِير

بَلِ اللَّهِ مَوْلَانَا وَهُوَ خَيْرُ النَّاصِرِينَ

*But Allah is your protector, and He is the best of helpers*

**ALMIGHTY ALLAH ﷻ is AL-HAAFIDH ﷻ (THE PROTECTOR)**

**Allah ﷻ is alone the True and the Best of Protectors.**

If Allah ﷻ wishes to protect us, then nobody can harm us.

We must always seek Allah's ﷻ protection from harm and from Shaytaan.

We must always seek Allah's ﷻ protection from all evils.

**How does Allah ﷻ protect us?**

**Allah ﷻ protects us in different ways, can you name any ways?**

He ﷻ protects us from the cold by giving us a warm house to stay in

He ﷻ gives us nice sweet water to drink and food so that we don't get thirsty or hungry.

He ﷻ protects us from bad people by giving us loving parents, family and friends.

He ﷻ protects us from the dark when we are scared by giving us light.

**He protects us from Shaytaan if we always pray Ta'awooz and Tasmiyya before we do anything.**

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

أَعُوذُ بِاللَّهِ مِنَ الشَّيْطَانِ الرَّجِيمِ

If we do anything bad we must ask Allah ﷻ to forgive us and never do it again.

## DO YOU KNOW...

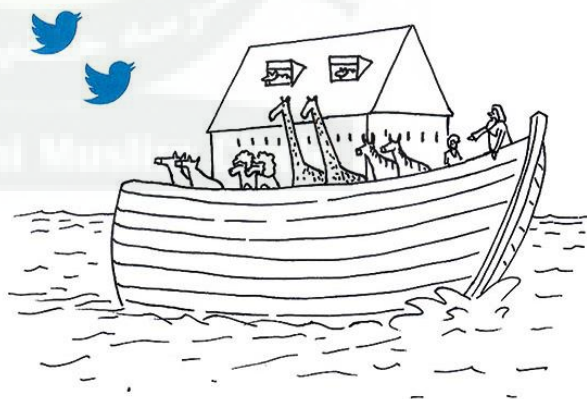

Do you know how **Allah** ﷻ protected Prophet Musa q (Moses) from Fir'aun (Pharaoh)?

Do you remember how **Allah** ﷻ protected Prophet Nuh q (Noah) from the Flood?

How Prophet Yunus (Jonah) came out from the belly of the whale after 40 days?

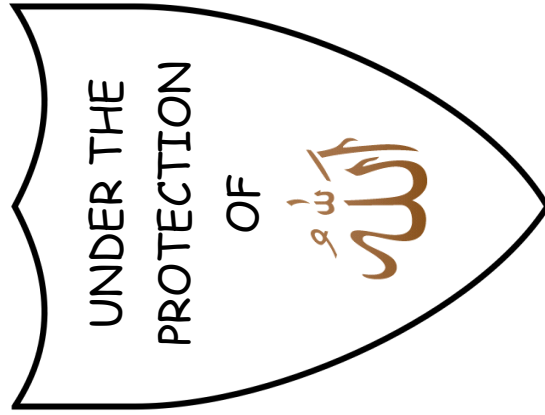

How about when **Allah** ﷻ saved the Ka'aba from the Army of Abraha, by sending birds (ababeel) with stone baked of clay?

How about when **Allah** ﷻ protected Our Prophet ﷺ and Sayyiduna Abu-Bakr ra the Cave of Thawr during Hijrah?

# AL-HAAFIDH

## The Protector

# الحافظ

قَالَ هَلْ آمَنْتُمْ عَلَيْهِ إِلَّا كَمَا آمَنْتُمْ عَلَىٰ أَخِيهِ مِن قَبْلُ قَالَ اللَّهُ خَيْرَ حَافِظًا

He said: "Can I entrust him to you except as I entrusted his brother to you before? Allah is the Protector"

**ALMIGHTY ALLAH ﷻ is AL-RAZZAQ (THE PROVIDER)**

Allah ﷻ is the **Best of Providers** for all **His Creations**.

He is not in need of anything from anyone.

Now let's think what has Allah ﷻ given us?

He ﷻ gave us hearing,  
sight and speech.

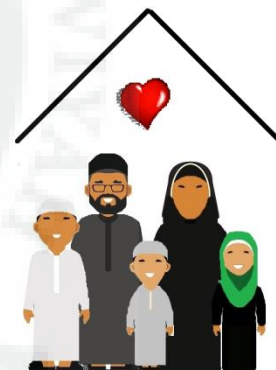

He ﷻ gave me a nice warm  
house to stay in.

He ﷻ gave us parents to  
love us and teachers to  
teach us.

He ﷻ gives me food and  
drink every day.

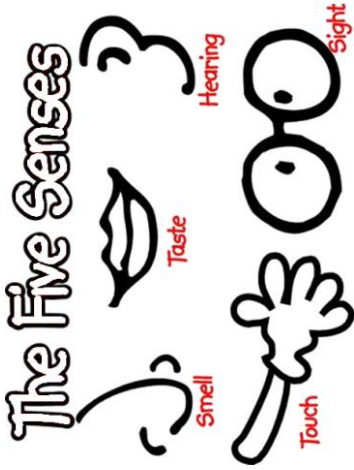

What else do you think Allah ﷻ provides us?

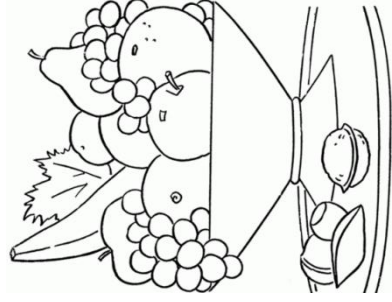

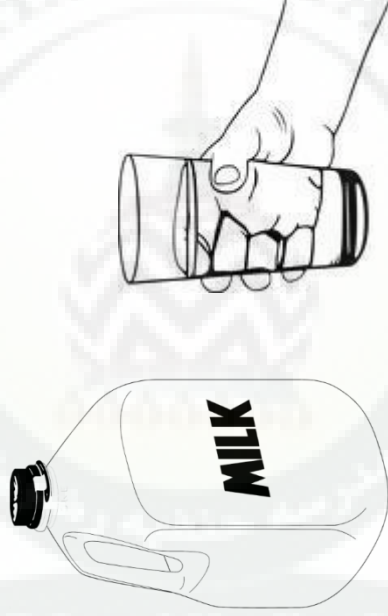

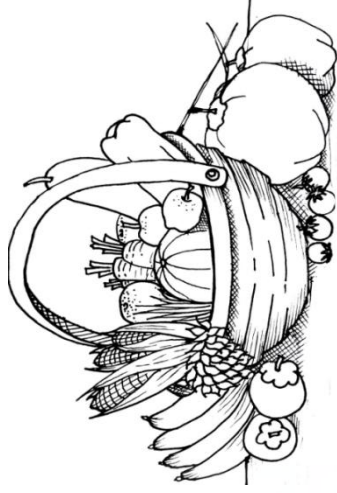

We are naughty and do not listen to **Allah ﷻ** commands and we do not respect our parents or teachers, yet **Allah ﷻ** does not stop and provides us more.

We should thank **Allah ﷻ** for everything he has provided us by making du'aa, praying the Qur'an and offering Salaah.

# AL-RAZZAQ

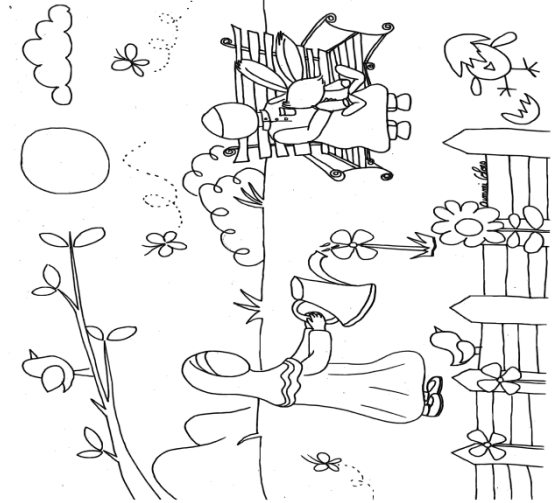

## The Provider

# الرزاق

# OUR MOST BELOVED PROPHET

## The Best Role Model and the Best Example

I believe that there is no god but Allah ﷻ and  
Sayyiduna Mohammed ﷺ is Rasulallah

"Rasulallah" means "Allah's Prophet" or "Allah's Messenger."

When we hear or say the name of Sayyiduna Mohammed ﷺ, we  
should send blessing on our Master ﷺ by saying,  
"sallal laahu alaihi wasallam."

That means, "Allah's blessings and peace be upon him"

Allah ﷻ and His Angels bless us when we ask Allah ﷻ to bless our  
Beloved Nabi Sayyiduna Mohammed ﷺ.

The life of our Nabi Sayyiduna Mohammed ﷺ is known as the  
Seerah.

Sayyiduna Rasoolullah ﷺ was sent as a Mercy for all of mankind  
(humans, jinns, animals and nature).

Our Glorious Master ﷺ was sent as a Prophet for all the religions.

Our Nabi Mohammed ﷺ brought us the Holy Quran.

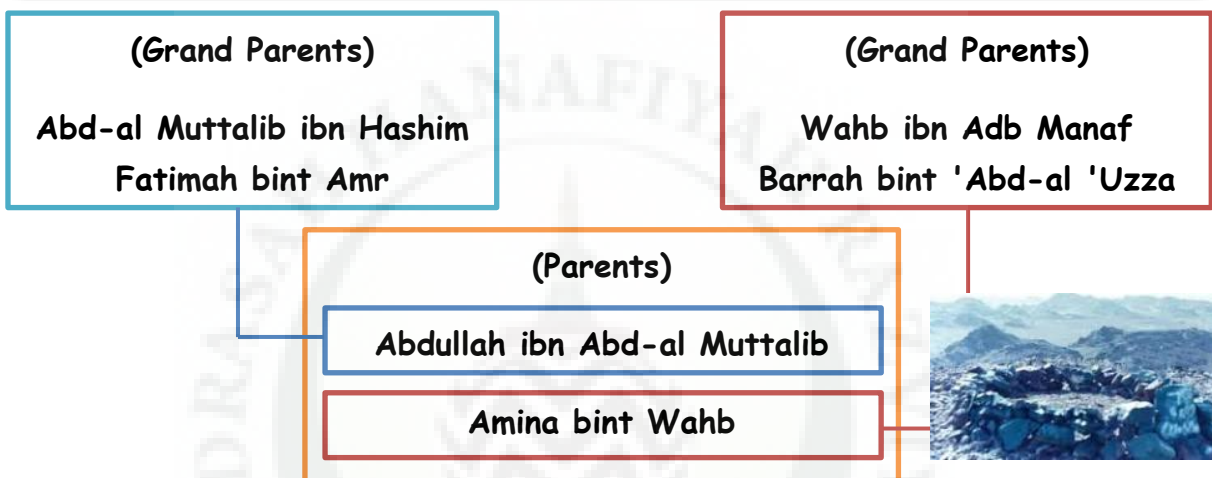

The Holy Quran is Allah's ﷻ last message to the people of the world.

The Prophet Mohammed ﷺ was born on **Monday, 12<sup>th</sup> Rabee Al'Awal** in the city of **Makkah** at the time of **Subha Sadik**.

**Subha Sadik** is a special time in the morning when the **dark night** is about to turn to **light**.

His blessed mothers name was **Sayyidah Amina** ﷺ and  
His blessed fathers name is **Sayyiduna Abdullah** ﷺ

His father passed away before the birth of our Prophet ﷺ in **Darun-Nabiya** in the blessed city of **Madina**.

The **Prophet** ﷺ did not have any brothers or sisters.

Our Prophet grew up in the house of Sayyidah Halimah ﷺ in the countryside, who was His ﷺ foster-mother and wet nurse.

His mother passed away when the **Prophet** ﷺ was **6 years old** in a village called **Al-Abwa**.

The **Prophet** ﷺ was then looked after by his Grandfather Adb-al Muttalib ﷺ and then after by his Uncle Abu-Talib.

The Prophet ﷺ has mentioned that 'Those who love Me, Love Allah' and on the Day of Qiyamat (Day of Judgement) 'you will be with those who you loved in this world.'

We should always make sure that we love our Beloved Prophet ﷺ so that we are with him on the Day of Qiyamat and in Jannah (Paradise).

I must love those that love Allah ﷻ and our Saviour Nabi Sayyiduna Mohammad ﷺ.

I must keep away from those who do not love Allah ﷻ and our Nabi Sayyiduna Mohammad ﷺ.

### Noble Characteristics of our Glorious Prophet ﷺ

We should always obey Nabi Mohammad ﷺ and follow his Sunnah.

Sunnah, are the teachings, deeds and the sayings of our Beloved Nabi Mohammed ﷺ.

When we obey Rasoolullah ﷺ, we are obeying actually obeying Allah ﷻ, and only then will Allah ﷻ be happy with us.

If Allah ﷻ is happy with us, He will take care of us in this world and will reward us in our next life.
